A project by Steve McQueen

The Art Fund is supporting the vision of war artist Steve McQueen to produce an official set of postage stamps commemorating the British servicemen and women killed during the conflict in Iraq.

*Queen and Country* is currently on show at the Imperial War Museum but the work is unfinished.

The Art Fund now seeks public support to enable the artist to complete this powerful and moving work of art. It is hoped that Royal Mail will agree to issue this commemorative set of stamps when British troops withdraw from Iraq.

*Queen and Country* is a collaboration with the relatives of those who have lost their lives in the Iraq war. It is neither pro-war nor anti-war. By signing our petition, you will express your support for Steve McQueen's vision.
